Title of Work: "The Concert Pianist"

Sub-Category: Poetry

Name of Author: Brenda Kay Ledford

THE CONCERT PIANIST

In mid-winter,
a bluebird fluttered
outside my window.

Snowflakes twirled
like handfuls of confetti
over the mountaintops.

Like skimmed milk,
the clouds parted
playing the keys

on a piano
in an ocean
of sapphire skies.

Angel clouds floated
and flowed to the beat
of the music,

as the concert pianist
performed his grand recital
at the gates of pearl.
