PRE-GAMES ACTIVITIES

We are looking to do at least 3 activities this Winter and Spring before the Senior Games events start although the dates are not set yet.

The first one on the list will be an Air Rifle Target Shooting event in February.

In the Spring, be looking for a Beginner/Novice Pickleball tournament and a Bocce Ball learn/play. We will send out an email in the next week or two once we get the dates confirmed so be looking for that.

For those who are interested in getting in a little workout, how about playing some basketball? Some of the guys are still meeting every Monday morning at the Rock Gym for a shoot-around. We conducted our first 3 on 3 Basketball half-court tournament last year and are looking for a few more participants to round out the teams for this year.

EVENTS REMOVED IN 2026

After reviewing the participation in our events over the last few years, we have decided to discontinue 4 SilverArts categories in 2026 due to lack of interest/participation.

The first 3 are ALCOHOL INK, COLORED PENCIL and ART MARKERS.

The category RUGS will now be subsumed into the Fiber Arts category.
