### **2025 SILVERARTS**

**Thank you to ALL our SilverArtists for participating and helping make this another successful event!**

I think that everyone who participated and attended the SilverArts Awards Ceremony last Friday had a good time. Although the overall number of participating artists were down this year, we did have 10 new first-time artists. The art is still on display and open to the public - Heritage Art at the First United Methodist Church Fellowship Hall until April 15 and the Visual Art at the MAC until April 22 so if you find yourself in downtown Murphy, why stop in and have a look.

The results have been posted on our website under RESULTS & RECORDS and pics of all the items along with PDFs of the Literary Art for those who want to read them can be found in the GALLERY tab. You can also see the SilverArts results with this link ->
